wipe-clean changing pad

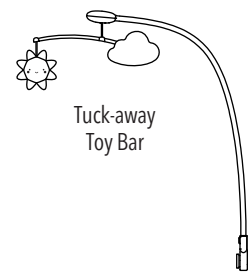

Read all instructions before assembly and use of the Wipe-Clean Changing Pad.

IMPORTANT! KEEP FOR FUTURE REFERENCE.

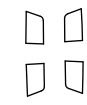

CONTENTS:

Foam Pad with
Safety Belt

Tuck-away
Toy Bar

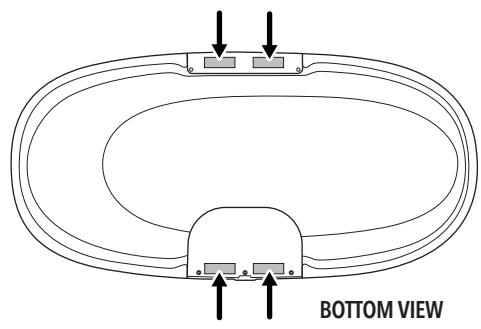

Adhesive Strips (x4)

CLEANING AND CARE:

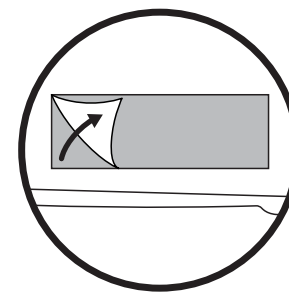

Changing Pad: Clean Changing Pad with mild detergent and water. For tough stains, use safe, effective household cleaners and wipe clean with water and damp cloth or sponge to remove cleaner residue. Do not bleach.
Strap: Wipe strap with a damp sponge or cloth. Do not bleach. Dry flat. Do not iron. Do not dry clean.

ATTACHMENT TO SURFACE:

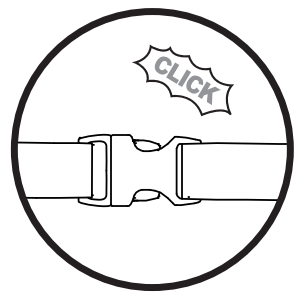

Check to ensure structure (changing table or similar) is stable, level and secure with a minimum surface dimension of 31″ x 16″ (78.7 cm x 40.6 cm). Remove one side of the backing from the adhesive strips and stick them to the base of the Changing Pad in the areas shown below. Remove the other side of the backing, exposing the adhesive. Carefully position Changing Pad over the surface and press down firmly to adhere. Make sure the bond is secure.

BOTTOM VIEW

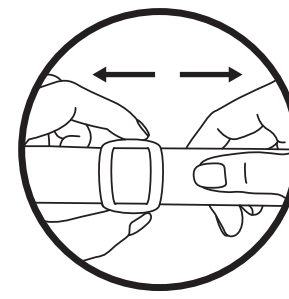

STRAP/ BUCKLE:

1.

Place baby on the changing pad on their back.
Align Safety Belt over child's abdomen and buckle securely.

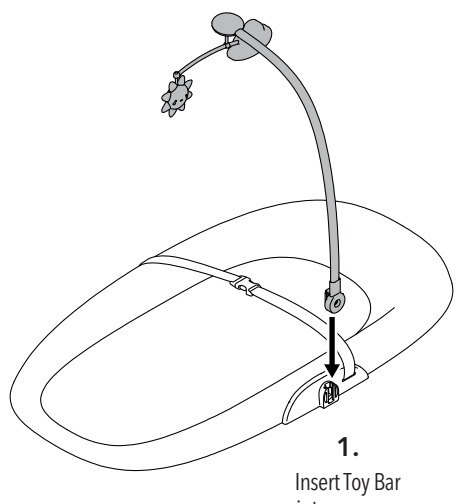

2.

Adjust slider for a snug fit.

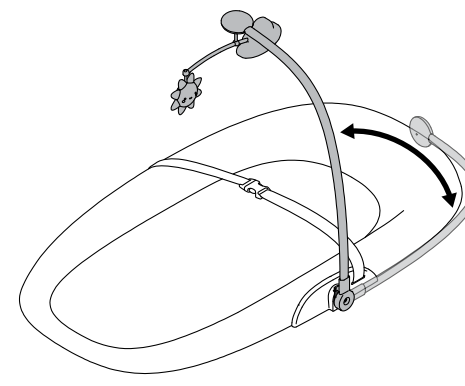

To release the Safety Belt, squeeze sides of buckle together. Never leave child unattended when using your Changing Pad. Always keep one hand on the child to prevent falling.

TOY BAR ARM:

1.

Insert Toy Bar
into grooves.

2.

Toy Bar rotates up for use, or down for storage.
NEVER use the Toy Bar to lift or carry the changing pad.

Once baby is able to pull and grab at toy bar, you can completely remove the Toy Bar by pulling it straight up from the Changing Pad. Store separately.

⚠WARNING:

FALL HAZARD: Children have suffered serious injuries after falling from changing pads. Falls can happen quickly.

- **STAY** in arm's reach of your child.
- **DO NOT LEAVE THE CHILD UNATTENDED.**
- **ALWAYS** secure this pad to the support surface frame by using adhesive strips provided. See instructions.
- Maximum child weight: 30 lb (13.6 kg).
- **SUFFOCATION HAZARD:** Babies have suffocated while sleeping on changing pads: changing pad is not designed for safe sleep.
- **NEVER** allow baby to sleep on changing pad.
- DO NOT use the changing pad if it is damaged or broken.
- NEVER carry child in changing pad.
- Always use the restraint system when using this changing pad.
- Discontinue use when infant begins to push up on hands and knees or can roll over.
- Throw away at first sign of damage or weakness.
- Read all instructions before use of the changing pad. Keep these instructions for future use.
- **ALWAYS** secure this product to a smooth flat surface that is level, stable, and structurally sound with a minimum surface dimension of 31 in x 16 in (78.7 cm x 40.6 cm).
